Devanahalli Taluk, Bangalore Rural, Karnataka - 562110

CAREER OBJECTIVE

Motivated Computer Science and Design undergraduate with hands-on experience in AI/ML, full-stack development, database management, and cybersecurity projects. Passionate about building practical software solutions, learning emerging technologies, and contributing effectively to collaborative development teams.

EDUCATION

B.E. in Computer Science and Design — SJC Institute of Technology | 4th Year

Pre-University (PCMB) — BGS PU College, Chikkaballapura | 73.33% | March 2023

SSLC — Nandini Vidyanikethana Residential School, Devanahalli TQ | 97.92% | July 2021

TECHNICAL SKILLS

Programming Languages: Python (Foundation), Java (Beginner)

Web Technologies: HTML, CSS, JavaScript, React (Basic)

Database: MySQL, DBMS

Tools: VS Code, Git (Basic), ChatGPT (Prompt Engineering), Canva, Figma, Google Colab

PROJECTS

1. AI Document Intelligence Platform

- AI-powered document analysis for uploading, extracting, understanding, and retrieving information.
- Enables fast discovery of relevant information from large or complex documents.

2. Advanced Traffic Prediction using GAT-LSTM

- Analyzes traffic conditions across connected locations and predicts future traffic patterns.
- Helps identify upcoming congestion for improved traffic monitoring and planning.

3. SafeRx AI: Drug Recommendation using RAG and ADMET Prediction (Major Project)

- Evaluates medicines using drug-safety analysis, RAG-based evidence retrieval, and ADMET characteristics.
- Provides evidence-based information on drug safety, possible risks, and relevant biomedical evidence.

4. SafeNet – Next-Gen Intrusion Detection System (Mini Project)

- Detects suspicious or potentially malicious network activity.
- Helps identify possible cyber attacks and security threats for monitoring and response.

HACKATHONS & ACHIEVEMENTS

- Participated in 3 hackathons demonstrating problem-solving and teamwork skills.
- Achieved Top 10 Finalist position in a competitive hackathon.
- 2nd Place — Photography Competition, SJC Institute of Technology.
- 2nd Place — Cartooning Competition, SJC Institute of Technology.

CERTIFICATIONS

- Infosys Python Foundation
- Infosys Java Foundation
- Full Stack Developer Certification — Physics Wallah
- Building E-Commerce Application Using React

LANGUAGES & Hobbies

Languages: English, Hindi, Kannada, Telugu

Hobbies: Drawing, Photography, Traveling, Movies
